

UN list of Least Developed Countries (LDCs)

<https://unctad.org/topic/least-developed-countries/list>

There are currently 46 economies designated by the United Nations as the least developed countries (LDCs), entitling them to preferential market access, aid, special technical assistance, and capacity-building on technology among other concessions.

BeLI24 will provide, upon request, a reduced fee for participation to the Congress.

Note: The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. Final boundary between the Republic of Sudan and the Republic of South Sudan has not yet been determined. Dotted line represents approximately the Line of Control in Jammu and Kashmir agreed upon by India and Pakistan. The final status of Jammu and Kashmir has not yet been agreed upon by the parties.

Date: October 2023
