

The “*Gruppo Interdivisionale di Chimica per l’Accumulo e la Conversione Elettrochimica dell’Energia*” (ACee) of the **Italian Chemical Society (SCI)** organizes the **first edition of the International School of Electrocatalysis** in Padova, Italy on **23-25 July 2025**

ISECAT2025 aims at offering to students and newcomers the *state of art*, the *very recent progress and the future targets* in the field of electrocatalysis for application in electrochemical energy conversion and storage devices by **top-notch national and international scientists** as instructors.
